Issued certificates identify a current membership and a signed commitment to the NRSA Code of Standards. Membership is not a license, workmanship certification, or guarantee.

SAMPLE ONLY - This document does not establish membership.

YOUR ROOFING COMPANY / ESTIMATE ATTACHMENT

Our commitment to homeowners.

A clear scope. Written promises. Responsible business practices. This sample shows how a member can explain the NRSA Code alongside an estimate.

01 Written estimates
A written scope, materials, and price before work begins.

02 Price integrity
Changes approved in writing before proceeding.

03 Licensing and insurance
The licenses and coverage required where we work.

04 No pressure tactics
Time to decide, without manufactured urgency.

05 Written warranty
Workmanship coverage, duration, and terms in writing.

06 Complaint response
Customer complaints acknowledged within five business days.

07 Honest advertising
Accurate credentials, affiliations, and marketing.

08 Accountability
Cooperation with the NRSA Code complaint process.

Check a contractor's current licenses, insurance, references, and written contract separately. NRSA membership does not certify workmanship or verify member-provided credentials.

SAMPLE ONLY - A member profile link and business contact details are added on activation.
